

2025-2026 Keech Scholarship Application

UnityPoint Health St. Luke's Hospital – Mount Mercy University RN to BSN Program

The RN to BSN Program

St. Luke's Hospital and Mount Mercy University offer an expedited RN to BSN accelerated curriculum. With this partnership, RN to BSN students can complete the 21 nursing credit hours required by Mount Mercy University's RN to BSN Program in less than one year. Students may take face-to-face or online classes.

To achieve a BSN, Mount Mercy University will require the student to complete core classes. Depending on each student's academic history, this could be a minimum of nine credit hours to as many as 27. Core courses will be the financial responsibility of the student. The student is encouraged to utilize the St. Luke's Hospital Tuition Reimbursement Program and/or apply to St. Luke's Foundation Scholarship Program (timeline is announced annually in January).

After graduation with a BSN Degree, the Keech BSN Scholarship Recipient is required to work three years in a St. Luke's Hospital-Based Department. If the Scholarship Recipient is

unable to fulfill this requirement, they will be expected to pay back the entirety of the scholarship (\$9,181).

The Keech Scholarship

St. Luke's Foundation's Keech Scholarship offsets the expenses for the 21 nursing credit hours. The scholarship's approximate value is \$9,181 per student (\$8,681 for tuition and \$500 for books).
