## Where Do I Start?

Call your insurance company's 1-800 number on the back of your insurance card. Ask about breast pump coverage specific to your policy.

## Are There Any Other Questions I Should Ask My Insurance Company?

Yes!

- *What* kind of pump is covered?
- *Where* do I have to go to get the pump OR is it mailed to me?
- *When* can I get the pump?
- Is there a specific Durable Medical Equipment (DME) supplier in my network?

## A Few of the Common DME's Our Patients Use Are:

- **The Breast Pump Store**
