Mercy/St. Luke's School of Radiologic Technology
2025-26 Consumer Information

Equal Opportunity/Nondiscrimination Statement

The Mercy/St. Luke's School of Radiologic Technology (MStL) recruits students and employs faculty and staff who are the most qualified people available, without regard to race, color, creed, age, sexual orientation, gender identity, sex, national origin, ancestry, religion or disability.

Information disclosure for employees and students, both current and prospective. (required by law)

MStL is required by law to make available to enrolled students, prospective students, and their parents certain information about its operations. Such information pertains to: (1) general institutional information, (2) financial assistance, (3) completion and graduation rates, and (4) annual security report.

To meet the requirement, information for MStL is provided below. Web site addresses are specified for all information items. Additionally, the Program Director can respond to questions or information requests in specific areas. Contact information for the Program Director is as follows:

Stephanie Setter M.B.A. R.T.(R)(MR)
e-mail: stephanie.setter@unitypoint.org
Phone: 319.369.7097

MStL can provide a paper copy of any of the information upon request.

College Navigator

Much of the information that many people are interested in looking at for prospective colleges can be found on College Navigator. The Department of Education is required to post 26 items on the College Navigator website for each institution, including a link to the institutions' website that provides consumer information.

Information about the following topics is available at College Navigator:

- General Program Information
- Financial Aid
- Accreditation
- Website Address
- Cost of Attendance
- Graduation/Retention Rates
- Enrollment Statistics
- Admissions
- Student Loan Default Rates
- Federal Aid Programs
- Campus Crimes Statistics
