

How to Submit Weight

1. Log-in to MyUnityPoint

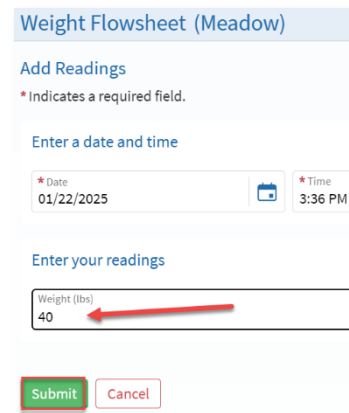

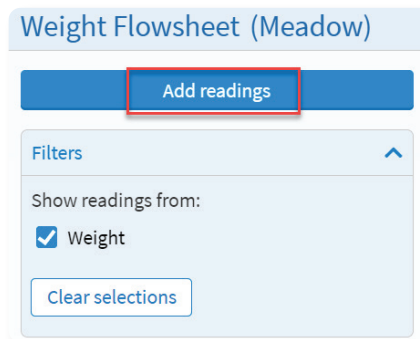

- After the order is placed, you will receive a new health log message in MyUnityPoint.

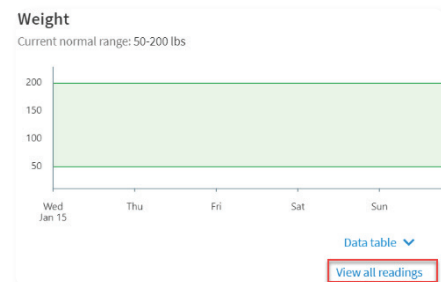

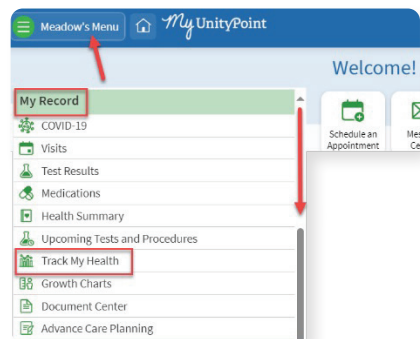

2. Access the flowsheet by clicking on the message. Multiple readings can be entered and submitted

3. Enter the reading(s) and submit.

4. Find or edit the reading(s) under Menu on the homepage and select "Track My Health".

All readings

| Date | Value (lbs) | Entry type | Action |
|-----------------------|--|------------|----------------------|
| Jan 22, 2025, 3:36 PM | 40 Abnormal | Patient | Edit |
