## Surgery Center

From hip replacements to appendicitis and everything in between, having a great surgery team and center is vital for the well-being of our families and communities. At Trinity Regional Medical Center, we have 18 physicians performing many different surgical specialties. We continue to grow our surgical services, and we are excited to renovate and expand our surgery center at Trinity Regional Medical Center. We will bring inpatient surgery, outpatient surgery and sterile processing together in one location in our new surgery center. The project includes 24 pre- and post-operative rooms, two endoscopy suites and five operating room (OR) suites of larger capacity to accommodate the latest technology. We are proud to provide a vast array of surgical services and know that by investing in our surgery center, we will be able to do even more for our patients and our community.

## Foundation

Trinity Foundation is a not-for-profit organization committed to generating resources for the sustainability and advancement of health care in Fort Dodge and Northwest Iowa. The Foundation raises, manages and distributes funds that promote and support programs and services provided throughout the facilities of UnityPoint Health – Fort Dodge. Thoughtful gifts of all sizes make possible advancements in medical research, state-of-the-art equipment and programs that meet the specific needs of our community.

## UnityPoint Clinic™

UnityPoint Clinic offers comprehensive services in primary care, walk-in care and specialty services. The team at UnityPoint Clinic focuses on prevention services, including wellness screenings and health education. The clinical teams are improving outcomes, lowering the number of hospital readmissions, and reducing avoidable costs associated with treating chronic conditions.

## UnityPoint at Home<sup>SM</sup>

UnityPoint at Home serves the critical role of coordinating with UnityPoint Clinic and UnityPoint Health hospitals to surround the patient with all the resources and care necessary to achieve wellness at home. Whether learning to manage a chronic disease, transitioning home from the hospital, or rehabilitating after an injury or surgery, UnityPoint at Home allows individuals to continue the level of care necessary to help restore health, well-being and independence all from the comfort of home.

## UnityPoint Hospice

Facing the end-of-life can be an overwhelming and challenging time for a family and their loved one. UnityPoint Hospice is here to give families the ability to embrace life through these times and provide dignity, hope and comfort for their loved ones during their end-of-life journey.
