

## **ADDENDUM D**

### **to Notice of Privacy Practices**

#### **Illinois: Health Care Sanctity and Privacy Law**

You have the right to ask us to delete, redact, or amend certain health information in your records which is related to your immigration status, including your place of birth, immigration or citizenship status, or information from birth certificates, passports, permanent resident cards, alien registration cards, or employment authorization documents.

We will consider each request. We are not required to make all changes you ask for. If we deny your request, we will explain to you in writing why we denied your request and describe your rights.
