At UnityPoint Health® we provide care throughout Iowa, western Illinois and southern Wisconsin in our hospitals, clinics and home health settings. We are dedicated to making it easier to live well.

St. Luke's Hospital

UnityPoint Health - St. Luke's traces its roots back to 1884 when Sioux City's first hospital, Samaritan Hospital, was opened. Since that time, our patient and family-centered hospital has continued to deliver compassionate care to families in the Siouxland region. St. Luke's offers a full range of services and programs that includes our state-of-the-art surgical center, Siouxland's premier birth center, 24/7 cardiovascular care, and Level III emergency department. When you face something that can't be treated in your doctor's office, you can count on us to help you tackle your biggest challenges.

Children's Miracle Network

UnityPoint Health - St. Luke's is proud to be a Children's Miracle Network hospital. Since 1989, over \$9.4 million has been raised by St. Luke's Children's Miracle Network to benefit children's health care services and programs that care for kids treated at St. Luke's and its affiliate clinics. All of the funds raised locally are used to care for kids in Siouxland.

St. Luke's College

As an institution of higher education, St. Luke's College provides high quality, health system-based education to individuals who desire to become competent and compassionate health care providers. St. Luke's College has a rich history of educating health care professionals through bachelor's degree completion programs in nursing (RN-BSN) and health sciences, including an accelerated BSN program; associate degree programs in nursing, radiologic technology and respiratory care; and advanced specialty programs in CT, MRI, sonography and mammography.

Sunnybrook Medical Plaza

Sunnybrook Medical Plaza is an outpatient facility that allows UnityPoint Health – Sioux City to expand its outpatient services and provide continuity of care, ultimately offering patients an additional choice for health care in the Morningside area of Sioux City. Sunnybrook Medical Plaza is home to several services of UnityPoint Health, which include family medicine, pediatrics, foot & ankle, rehabilitation services, urgent care, cardiac & pulmonary rehab, imaging & breast screening, infusion & lab, and cardiology services/Cardiovascular Associates.

Regional Partnerships

Pierce Street Same Day Surgery (PSSDS) is an ambulatory surgery center on the St. Luke's campus. PSSDS is a joint venture between UnityPoint Health – St. Luke's and community physicians. It offers high quality, comfortable care that is less expensive. PSSDS performed its first outpatient total knee replacement in the summer of 2019.

UnityPoint Health Childcare Center is a local childcare center that provides children with developmentally appropriate experiences and top notch care. In 2022, a location was opened on the St. Luke's hospital campus providing reliable childcare services for team members and their families.

Wings One provides lifesaving air transportation for critically ill or injured patients to a local emergency department. Wings One partnered with St. Luke's in 2022 to provide valuable onsite training and expertise to St. Luke's team members.

UnityPoint Health PACE Senior Care

Our Program of All-Inclusive Care for the Elderly (PACE), helps participants live independently for as long as possible in their home and within the community. PACE has access to a variety of programs to help with an individual's health care needs. From home health to rehabilitation, our PACE team can coordinate a full-range of resources including primary and specialty medical care, medications, medical transportation and therapy.

Foundation

UnityPoint Health – St. Luke's Foundation is a not-for-profit organization committed to generating resources for the sustainability and advancement of health care in Siouxland. The Foundation raises, manages and distributes funds that promote and support programs and services provided throughout the facilities of UnityPoint Health – Sioux City. Thoughtful gifts of all sizes make possible advancements in medical research, state-of-the-art equipment and programs that meet the specific needs of our community.

UnityPoint Clinic™

UnityPoint Clinic offers comprehensive services in family medicine, internal medicine, pediatrics, walk-in care, including UnityPoint Clinic – Express, and other specialty services. The team at UnityPoint Clinic focuses on prevention services, including wellness screenings and health education. The clinical teams are improving outcomes, lowering the number of hospital readmissions, and reducing avoidable costs associated with treating chronic conditions.

UnityPoint at HomeSM

UnityPoint at Home serves the critical role of coordinating with UnityPoint Clinic and UnityPoint Health hospitals to surround the patient with all the resources and care necessary to achieve wellness at home. Whether learning to manage a chronic disease, transitioning home from the hospital, or rehabilitating after an injury or surgery, UnityPoint at Home allows individuals to continue the level of care necessary to help restore health, well-being and independence all from the comfort of home.
